Sustainable Healthcare Day: 6 April 2022

This year the Integrated Healthcare Collaborative (IHC) and its member organisations (which includes CNHC) are supporting the establishment of Sustainable Healthcare Day which takes place today.

Sustainable Healthcare is one of the most crucial issues facing us as a population. IHC want you to join us in starting a national conversation about all aspects of this issue, and help to raise it up the political agenda.

You can help to bring this key issue to the forefront of the healthcare agenda by sharing your stories and ideas with colleagues and on social media. How are you making a contribution to a more sustainable healthcare system?
