Increase in CNHC registration and renewal fees

With effect from 1 January 2025 the CNHC initial registration fee and annual renewal fee will increase by £5 to £75. Anyone completing their registration or renewal up to midnight on 31 December 2024 will be able to register at the current rate of £70.

This is the first increase since 2019 as we held our fees to support registrants during the COVID-19 pandemic and the cost of living crisis that followed.

The fee for registration of additional disciplines will remain unchanged at £10 per discipline (to a maximum of four, after which it is free) and the fee for renewal of additional disciplines will remain unchanged at £5 per discipline (to a maximum of four, after which it is free).

Please note that you can only renew your registration one month in advance. For example, if your registration is due for renewal on 1 March 2025 you can renew from 1 February 2025.
