Directors' responsibilities

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to assume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Notes to the Financial Statements

For the year ended 31 December 2022

1 Accounting Policies

Basis of Accounting

The company has taken advantage of the provisions of paragraph 3(3) of schedule 4 of the Companies Act and adopted the Companies Act formats to reflect the nature of the company's activities as a not for profit entity. The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2016).

The company is reliant on initial and annual renewal of registration fee income in order to support the costs of running its activities. The directors have considered management accounts, cash flow projections and budgets for the year 2022 and believe the company will have sufficient resources to meet its liabilities as they fall due and that it is appropriate for the financial statements to be prepared on a going concern basis.

Income

Initial and annual renewal of registration fees are allocated to income as received.

Expenditure

All expenditure is included on an accruals basis and is recognised when there is a legal or constructive obligation for payment to be made. Governance costs are the costs associated with the strategic direction of the organisation and with meeting regulatory requirements.

Tangible Fixed Assets

The company has a capitalisation policy of £500. Any asset of less than £500 in value is expensed immediately in the income and expenditure account. Depreciation is provided to write off the cost of the Fixed Assets over their estimated useful lives at the following annual rates:

Office fixtures and fittings	Straight line over 3 years
Office equipment	Straight line over 3 years
Website	Straight line over 3 years
Data Register	Straight line over 10 years

Operating leases

Operating lease and rental costs, where substantially all the benefits and risks of ownership remain with the lessor have been charged to expenditure as they arise.
